First name

I declare the following with regard to participation in competitions organised by the DHV in 2007. This declaration in no way limits the responsibilities of the competition organisers.

1. The Risks

I the undersigned, am informed of, and fully understand the risks involved in competition flying: e.g. factors leading to a crash either during training sessions or the actual competition. I agree that success in flying competitions is often connected with increased risks, in particular that I may have to push myself to my own physical limits. I know and appreciate that partaking in flying competitions can set my health or even my life at risk.

These risks are present for all competition participants or trainees, particularly due to environmental and atmospheric factors, technical equipment and natural or man-made obstructions. I agree that not all sequences of events are predictable or controllable, and therefore may not be avoidable or averted through preventative safety measures.

2. Risk taking

I must judge for myself if the competition or training task under the current circumstances lies within my capabilities. I will inform the jury immediately of any obvious safety issues. By starting, I agree that the site is suitable and useable for competition flying. I am fully responsible for the equipment I use, and route I choose in order to complete the task.

3. Personal Liability

I agree that I may be liable for all damages, bodily or to property, incurred to third parties through my flying activities. I agree that the organisers are in no way obliged to control or check my flying equipment. I agree to inform myself about the current competition regulations.

I agree to inform myself about the current competition regulations.

I have read and understood the above declaration.
